Testimony

As a Native Hawaiian educator and researcher, I implore you to please pass Bill 23, which would prevent Thomas Square to come under the management of Enterprise Services. As you know, Thomas Square is of great significance not only to Native Hawaiians but to all who value Hawai'i's history and culture. By keeping Thomas Square a Public Park you will assure that this highly historical area remains accessible and open to the general public, as well as our visitors and protect it from commercial development. Mahalo nui.
